French Immersion offered at Tommy Douglas Collegiate this fall!

Saskatoon Public Schools is very pleased to announce the addition of our third high school to offer French Immersion programming.

Beginning in the fall of 2010, French Immersion will be offered to Grade 9 students attending Tommy Douglas Collegiate. The program will add a grade each year until we have a full complement of French Immersion courses offered to Grades 9 – 12 in the fall of 2013. Students completing the 4-year program with the required 12 credits in French will graduate with a “Bilingual Mention” on their transcript of Secondary Level Achievement.

Tommy Douglas Collegiate joins Marion M. Graham Collegiate and Walter Murray Collegiate both of which have been offering French Immersion for all grades for a number of years.

At the elementary school level, French Immersion is offered at École College Park, École Henry Kelsey, École Lakeview, École River Heights and École Victoria Schools. Late French Immersion, beginning in Grade 6, is offered at École Henry Kelsey and École Lakeview schools.

French Immersion ... Second language learning Consider the possibilities!
