## *"One Family Under One Sky"*

Greetings!

It is always a pleasure to host a pancake breakfast for our families, other community members and partner agencies. During this past one there was great conversation, food and laughter. Please remember to drop by any time to talk about the learning program and progress of your child(ren) as well.

Did you know that parental involvement in the schooling of children boosts achievement levels? Your child's teacher can help you support learning both at home and at school. Just ask them how!

## Coordinators Corner

January 26, 2012 – Learning Day and Pow Wow – City Park Collegiate. As a co-host school of this Culturally Responsive day, the organizing committee was most pleased with how the day unfolded. The students from Ms. Roadhouse and Ms. McLeod's Classrooms attended a day of First Nations and Metis learning sessions. Mrs. Harper's class and the dance troupe attended the lunch, a performance and learning session by Buffalo Productions then proceeded to a Traditional Storytelling session. Our students were great ambassadors. Later many families, students and staff attended the supper and Pow Wow. Our dancers did a wonderful job and danced with dignity and pride. Thank you to those who supported the day. We will keep you informed of upcoming celebrations. Thanks to Rhonda Waskahat and Kyla Hannah for organizing the Family Movie Evening held on January 19. Many families attended the event and asked for more of these community based gatherings. We will let you know of events being hosted by the SCC. KHL News – Our team is off to a great start. Thanks to Ms. Roadhouse for her leadership, Brook, Jared, Mike and our new friends from Scotia Bank for their support.
