Employees of Saskatoon Public Schools may use the information collected on this form to help provide appropriate educational programming and support for the student. Contact information is collected to help us communicate effectively with the student's parents or guardians. Some of this demographic data may be shared with organizations we work with to help them provide the following services to our students: transportation, ID cards, immunization, vision screening, hearing screening, and dental programs.

*We collect the student's Saskatchewan Health Number to use in case medical care is needed. This number, and other demographic information, is shared with Saskatchewan Ministry of Education to support the Student Tracking Program. This program is intended to identify school-aged youths not registered in school, so that action may be taken to help meet their educational needs. How this information is accessed, used, or disclosed is protected under the **Freedom of Information and Protection of Privacy Act and the Local Freedom of Information and Protection of Privacy Act.***

We (the family) understand that this application for courses will be used to staff the school and plan the coming year. Therefore, students are expected to continue in a full-time program in the courses originally selected. If a change in the course selection is necessary, however, or if circumstances force us to withdraw this application, we will promptly notify Evan Hardy Collegiate at 683-7706.
