

Checklist for Grade 10 Students Registering for Grade 11

1. All regular level subjects for grade 11 will be designated as “20”. Modified courses are indicated as such with “21”. For example, English Language Arts 20 (ELA20) and modified English Language Arts (ELA21). Modified courses should only be selected in consultation with current subject teacher and counsellor.
2. All core/compulsory classes need to be completed at each grade level prior to registering in core/compulsory classes at the next grade level.
3. Grade 11 students may select 30 level courses for which there is no prerequisite. However, grade 11 students are NOT eligible to take HIST30/31, NAT30, ELA30/31, and ELB30/31.
4. **English** – Grade 11 students must register for ELA20/21. Other English classes such as Journalism 20 (online only), Media Studies 20, and Creative Writing 20/30 are considered electives.
5. **Math** – Students must have at least one 20 level math to graduate. Students should select the appropriate math pathway to suit their learning needs provided students have the appropriate prerequisite class, choices may include one, or a combination of: Math Workplace & Apprenticeship (MWA20), Math Foundations 20 (MAF20), Math Pre-calculus (MPC20) or Math 21 (MTH21). Students may benefit from taking math courses from multiple pathways. Post-secondary programs Have different math pathway requirements. Please see your collegiate counsellor if you require guidance in making your decision.
6. **Science** – Students need a minimum of one 20 level science course: Environmental Science 20 (ESC20), Health Science 20 (HSC20), Physical Science 20 (PSC20), Computer Science 20 (CSC20), or Health Science 21 (HSC21).
7. **Social Science** – Students must have a minimum of one social science course: History 20/21, Indigenous Studies 20, Psychology 20 or 30, Geography 30 (online only), or Law 30. For each of the 30 level classes, the 20 level courses is not a prerequisite, History 10/11 is the prerequisite.
8. **Arts Education or Practical and Applied Arts** – Two courses are required at any of the 10, 20, or 30 levels to meet graduation requirements.
9. **Resource** – Students must have the permission of their current Resource Room Teacher and/ or grade counsellor.
10. **Online Courses** – Students must meet with a counsellor and complete an independent registration form for online classes. This form requires both a parent and counsellor’s signature. *As a general rule, students are limited to 1 online course at a time.
11. **Driver’s Education**— Students should register in DRI10-N. These classes are offered throughout the year during the noon hour and class lists are prioritized according to age. During the school year, letters are provided to students indicating instructions of getting an SGI account number so they can be placed in up-coming section.
