

## POLICY 8- BOARD REPRESENTATIVES

In response to requests from external organizations or agencies, the board will give consideration to naming representatives to various external boards or committees. Such representation is established at the discretion of the board to facilitate the exchange of information on matters of mutual concern and/or to discuss possible agreements between the board and other organizations.

If such an external organization/agency request came to the board at some point between inaugural meetings or organizational meetings, the board would follow a similar selection process as specified in Policy 6.1.8. This appointment would be made official by board motion.

Cooperative committees will function within the terms of reference determined by the committee and approved by both parties. The director of education may appoint resource personnel to work with representatives and will determine roles, responsibilities and reporting requirements of resource personnel.

The following committees will have a board representative as identified at the inaugural meeting or organizational meeting:
