

## ATTENTION GRADE 5 STUDENTS AND FAMILIES

The iGen classroom is a unique program for Grade 6 students offered by Saskatoon Public Schools and Sherbrooke Community Centre. The sixth class of iGen students will begin this exciting educational opportunity in September and the **application deadline has been extended to June 1, 2020.**

---

### What is iGen?

iGen is short for intergenerational classroom. Grade 6 students selected from Saskatoon Public Schools spend one year in a unique classroom experience in Sherbrooke Community Centre. Students in the iGen classroom learn and work with their teachers and Sherbrooke's residents and staff.

### Why choose iGen?

iGen is a learning adventure and opportunity for students who seek a new challenge. Learning takes place alongside opportunities to spend time with those of different generations and with different gifts. Students who like to learn in diverse settings, enjoy hands-on experiences, and education beyond traditional classroom walls will benefit from this opportunity.

### Where is iGen located?

Students are registered at École College Park School and have access to services there. The iGen classroom is housed near by at Sherbrooke, a vibrant home where people requiring specialized care reside. You feel the learning, growing, and caring atmosphere the minute you walk through the door of this special place.

### Who can apply?

Students who are currently in Grade 5 and attending a Saskatoon Public School may apply. This life-changing experience is open to students from across the city and the classroom will be made up of students from many different neighbourhoods. Approximately 25 students will be selected to attend.

### How do I apply?

Visit the iGen website at [saskatoonpublicschools.ca/igen](http://saskatoonpublicschools.ca/igen) to find the application forms. The deadline for applications is June 1, 2020. Applications may be submitted by email to École College Park School office at [collegeparkschool@spsd.sk.ca](mailto:collegeparkschool@spsd.sk.ca). For questions or further assistance please email Keri Albert, Lead Teacher of iGen, at [albertk@spsd.sk.ca](mailto:albertk@spsd.sk.ca).
