RAP the Gap Campaign

Every day, you show up for your child(ren)—guiding, supporting, and inspiring them. But sometimes, they face challenges that go beyond the classroom. That's where **RAP** (**Restorative Action Program**) steps in, offering conflict resolution, mental health support, and mentorship to help students navigate tough situations.

Through the *RAP the Gap Campaign*, we're working to ensure that every student has access to the support they need—but we can't do it alone. Thanks to a generous matching commitment from Jack & Shirley Brodsky, every dollar you give will be matched dollar-fordollar, up to \$100,000! That means your impact is doubled in helping students navigate challenges and build resilience.

- \$5,363: Provides RAP services across all 12 Saskatoon high schools for an entire day, helping 54 students with conflict resolution, mental health support, relationship-building.
- **\$596**: Supports one high school for a day, benefiting 6 students with guidance/support.
- Monthly Giving: By becoming a monthly donor, you ensure RAP's support remains strong throughout the year, providing stability for students who rely on these resources.
- **Any** \$: Helps youth develop essential life skills, build confidence, find a path forward.

We've heard directly from students about the impact of RAP:

- "My RAP worker has helped me with resources I needed and has been there when I needed her. Every school needs a RAP worker, not just ours." Former Student
- "Words are powerless to express my gratitude. My RAP Facilitator changed my life dramatically, and I don't know what I would do without her." Student
- "If you have any issue that you think is beyond your power in the school, you should probably talk to RAP. They are very helpful." Student

This is more than just fundraising. It's about ensuring students have a safe place to turn when they're struggling. It's about equipping them with tools for resilience. It's about the difference we can make—inside and outside the classroom.
