

How to View Your Student's Report Card Through Edsby

Report cards are viewable through a web browser at **spsd.edsby.com** from a computer or tablet. Report cards are not viewable on mobile devices.

In Edsby click *View Report Cards* to see your student's report card.

The screenshot shows the Edsby interface for a user named Judith French. Under the 'Classes' section, there are five entries: Arts Education 1, English Language Arts 1, Health Education 1, Homeroom, and French Level 1. At the bottom of the page, there are buttons for 'Portfolio' and 'Learning Story'. A blue button labeled 'View Report Cards' is highlighted with a green oval. An arrow points from this button to a larger blue button labeled 'View Report Cards' on the right side of the page.

TIP: Once the report card loads, you have the option to print or save to PDF by right-clicking on the report card.

If you haven't received your invitation to Edsby, contact your school.
