TEACHER Reference Form

Your student is asking you for a reference to support their application to the iGen intergenerational classroom for Grade 6. In order to learn more about the iGen program, please visit the iGen website:

www.spsd.sk.ca/Schools/elementaryprograms/igen

Please complete this document by responding to each question with your thoughts. You may use point form. Please avoid using any identifying words such as student name, school, or gender in the application. Instead, please use a “they” pronoun in place of “he” or “she”.

Submit your reference to the iGen selection committee by saving and emailing the form with the Subject line “iGen app” to collegeparkschool@spsd.sk.ca. **Please include the student’s name in the body of your email as well as your name, school and email address.** This form will not be shared with the applicant.

In what ways do you think this student could be successful in the iGen program?

Do you have any concerns that you would like to share about this student’s application to the iGen program? What supports would they need (if any) to be successful?

Learning at iGen requires speaking, listening and conversation. Tell us about this child's communication skills.

Tell us 5 strengths and 2 challenges this student has as a learner.

In the iGen program, students will be working with many different teachers and adults including SPS staff, Sherbrooke staff and Elders. How does this student respond to requests/corrections from an adult?

How does the student handle conflict situations with peers and adults?

- I understand that this student is applying to iGen and that a selection committee will be reading my reference form.
- **I may be contacted by a member of the iGen selection committee by telephone or email during the selection process.**
- I understand I am responsible for submitting this form to the iGen committee by **April 21, 2023, midnight**. Each student has to have all the parts of the application turned in by this date in order to be considered.
- I will be contacted before the end of the school year regarding student placements in iGen for 2023-24.

Emailing this application is confirmation that you agree to the above statements.
