FRENCH IMMERSION AT SASKATOON PUBLIC SCHOOLS

French Immersion is a program designed for students whose first language is not French. The program uses French as the primary language of instruction and communication in the school setting to enable students to acquire functional language skills.

The goals of Saskatoon Public Schools' French Immersion program are to:

- offer a comprehensive French education allowing for the personal development of students, and
- increase French language learning competence while also developing students' English skills.

The aim of the French Immersion program is for students to communicate effectively in Canada's two official languages. Upon completing the program, students are able to:

- pursue post-secondary education/training in both French and English,
- pursue employment in French and English, and
- possess an understanding of global perspectives on cultures and peoples, including their own.

The approximate percentage of instruction in French through K-12 French Immersion is as follows:

- 100%—Kindergarten to Grade 2
- 75%—Grade 3 to 8
- 50%—Grade 9 to 12

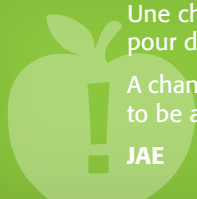

TIPS FOR PARENTS

Parents do not need to speak French in order to enroll their children in French Immersion. Most parents have little or no French language skills. While teachers foster students' language learning at school, parents can also support their child's learning at home:

- encourage your child throughout their learning journey, especially during the initial fall term when students are learning the basics of a new language;
- engage your child with meaningful language opportunities at home by reading, viewing, and listening to materials in French; and
- recognize your child's accomplishments to build their confidence for tackling new challenges.

CONTACT US

We invite you to contact the school in your neighbourhood to learn more.

ELEMENTARY FRENCH IMMERSION

Saskatoon Public Schools offers a Kindergarten to Grade 8 elementary French Immersion program. French Immersion students learn French and English and follow provincial curricula. Students generally enter the program in Kindergarten or Grade 1. The language of instruction is primarily French in Kindergarten to Grade 2. Utilizing the provincial curricula for early learners, our French Immersion program maintains a strong focus on student identity and language development while fostering students' achievement in multiple subjects. The English Language Arts program is not formally introduced until Grade 3.

In Grades 3-8, students apply their literacy and language skills to support and further their learning. Once students have learned to read in French, they apply this skill as they continue to explore the language and build vocabulary, communicate orally with purpose, and write to explain their thoughts and learning. The ability to speak, read, and write is applied in all subject areas and enables students to continue to learn the French language in the context of curricular subjects. Saskatoon Public Schools has seven dual-track elementary schools offering parallel English and French programs. The program schools are:

- **École Alvin Buckwold School**
- **École College Park School**
- **École Dundonald School**
- **École Forest Grove School**
- **École Lakeview School**
- **École River Heights School**
- **École Silverspring School**

Beginning in Kindergarten, **École Henry Kelsey** and **École Victoria** offer a single-track program where only French Immersion is offered.

COLLEGIATE FRENCH IMMERSION

French Immersion at the collegiate level builds on students' established language skills while also building competency in curricular subjects. To maintain their French Immersion status in high school and to be recognized as bilingual on their diploma, students are required to complete a minimum of 12 credits in French in Grades 10, 11 and 12. The necessary courses include three French Language Arts courses. The other nine French credits can be in the remaining areas of study or electives that are taught in French.

Saskatoon Public Schools provides French Immersion programming at four of our high schools:

- **Centennial Collegiate**
- **Marion M. Graham Collegiate**
- **Tommy Douglas Collegiate**
- **Walter Murray Collegiate**

ÉCOLE ALVIN BUCKWOLD SCHOOL

OUR SCHOOL COMMUNITY

We promote our similarities and celebrate our differences. Students strive to show RRC every day! Respect, Responsibility, and Co-operation are part of our values and intertwined in all we do.

Parents meet and have an active role and voice in our community. École Alvin Buckwold School is a dynamic, multicultural school. We are proud to have students and families from all over the world. We are proud of our active School Community Council where parents engage in our school through events such as family literacy evening, math evening, and Celebrating Diversity community potluck.

École Alvin Buckwold School offers English (Kindergarten—Grade 8) and French Immersion (K—8) programming. We offer many educational opportunities for our students. Curricular programs include: Core French (4—8), music (K—8), band programs (6—8), resource programming, and specialized physical education teachers. We strive to engage students in our school through extracurricular activities, including sports, choir, house leagues, Student Leadership Council and many clubs (such as chess, garden, skipping).

OUR FRENCH IMMERSION PROGRAM

École Alvin Buckwold School offers elementary French Immersion. Students generally enter the program in Kindergarten or Grade 1. Students learn French through songs, repetition, activities, and play. French is the primary language of instruction in all subject areas and formal English Language Arts programming begins in Grade 3.

ÉCOLE COLLEGE PARK SCHOOL

OUR SCHOOL COMMUNITY

École College Park School is a school community of families and educators working together to provide a quality education for students in a respectful environment.

École College Park School offers French Immersion and English programs for students in Kindergarten to Grade 8. Students have an opportunity to fully enjoy and participate in a variety of fine arts productions throughout Kindergarten to Grade 8 and in both French and English. We also provide a vibrant band program for students in Grades 6-8.

Extracurricular activities provide for a broad range of interests. Activities include: sports (volleyball, basketball, track, cross-country, relays), Student Leadership Council, Fine Arts Gala, junior and senior choir, Skipping Club, and more.

The School Community Council provides another forum to become involved within the school, to share ideas, and to be a part of enhancing our school.

OUR FRENCH IMMERSION PROGRAM

Our school offers K–8 French Immersion, a wonderful opportunity for students to learn an additional language. Students generally enter the French Immersion program in Kindergarten or Grade 1. The language of instruction from Kindergarten to Grade 3 is primarily French. Students begin English Language Arts in Grade 3. Parents do not have to speak French for their children to be part of the immersion program. Resource support is available for students in the French Immersion program.

ÉCOLE FOREST GROVE SCHOOL

OUR SCHOOL COMMUNITY

École Forest Grove School is a vibrant Kindergarten to Grade 8 school offering both English and French Immersion programs. We offer a focused learning opportunity for students of all backgrounds and experiences. School priorities highlight the importance of literacy instruction, reading comprehension, French oral instruction, and a holistic philosophy that focuses on the emotional, physical, social, and academic development of each of our students.

As you enter École Forest Grove School, you will be greeted with a smile at the office and discover an international flag display by our library that not only demonstrates the diversity of our student population but, more importantly, represents the belief that all of our students have unique experiences to share and a desire to learn from one another.

Our motto is *Caring, Sharing, and Excellence* and these values are evident throughout our school.

OUR FRENCH IMMERSION PROGRAM

Our dedicated teachers, together with a committed group of students and their families, are solidly established and continue to grow as an integral part of a vibrant school. The deliberate effort to be “one school” includes many cross-program collaborations and school-wide initiatives, all the while highlighting and prioritizing French enrichment use both in and out of the classroom

ÉCOLE HENRY KELSEY

OUR SCHOOL COMMUNITY

École Henry Kelsey offers a single-stream French Immersion education where French is the working language of the school and all supports and resources are available in French. This provides our students with an authentic opportunity to interact with one another and with our staff as they listen, speak, read, and write in French across all subjects. A walk around École Henry Kelsey will provide encounters with happy students, wonderful learning displays on the walls, and vibrant and energetic classrooms, all in French. Our bilingual, passionate teachers are committed to teaching every student to be the very best they can be by responding to our students' needs in a safe, inclusive, and differentiated learning environment.

As our school motto, "Ensemble On Grandit/Together We Grow" states, by working alongside our well-represented School Community Council we maintain a strong priority for literacy and math. We continuously strive to achieve our shared beliefs of respect, responsibility, safety, and excellence. The future opportunities for our children are unlimited as they move on to the world of work, post-secondary education, or travel.

OUR FRENCH IMMERSION PROGRAM

École Henry Kelsey is a Kindergarten to Grade 8 elementary school. We invite students in Kindergarten and Grade 1 to join us in the elementary French Immersion program.

Our school offers a wide-array of extracurricular opportunities, a strong fine arts program throughout the grades, and an excellent band program beginning in Grade 6.

ÉCOLE LAKEVIEW SCHOOL

OUR SCHOOL COMMUNITY

École Lakeview School offers students in Kindergarten to Grade 8 the opportunity to learn in either of Canada's official languages: English or French. Students from various communities surrounding Lakeview are provided transportation to participate in our immersion program.

Our dedicated and experienced teaching staff offer strong academic programs across all grade levels. Our current strategic priorities include continued growth for students in literacy and math. Our school maintains a strong focus on experiential learning and makes good use of the surrounding park and other outdoor facilities. Lakeview also celebrates the diverse talents of students, offering an impressive band and arts education program supplemented with an array of extracurricular performing opportunities.

École Lakeview School is proud of its strong sense of community that celebrates the diversity of our families from all over the world. We promote our similarities and celebrate our differences.

OUR FRENCH IMMERSION PROGRAM

Students joining École Lakeview School in French Immersion have the opportunity to learn entirely in French until Grade 3, at which point English Language Arts becomes a subject of study. Unique language opportunities both inside and outside of the classroom offer students the chance to use their linguistic skills in a broad, inclusive, and community-oriented context, preparing them to become contributing global citizens.

ÉCOLE RIVER HEIGHTS SCHOOL

OUR SCHOOL COMMUNITY

École River Heights School is located within steps of the beautiful South Saskatchewan River and Meewasin Trail. We offer French or English to students in Kindergarten to Grade 8. We pride ourselves on providing quality and comprehensive academic programming to all children as per our school motto of "Reaching Greater Heights."

Our school makes joy a priority and offers various opportunities for children that make school a fun and positive experience! A rich variety of experiences allows students to learn about themselves, take risks, and expand their interests. We believe they will rise to the high expectations we set for them with the appropriate supports. We take pride in a safe, caring, and accepting school environment. Our student leadership council meets with the administrative team to help us hear student voice as we are committed to responding to student needs and concerns.

Our staff reinforce positive behaviours and choices and believes in early intervention. We look at research to make the best decisions for our students. We pride ourselves on being inclusive and seek to have each student and staff member expand their worldview through unique and authentic learning opportunities. Our students learn about teamwork and themselves through involvement in our clubs and extracurricular opportunities in addition to the work we do in our classrooms.

We believe in strong communication that flows from the school and home and that our parents are our partners and build our sense of community!

OUR FRENCH IMMERSION PROGRAM

École River Heights School has a history of providing programming focused on building the four pillars of language acquisition: speaking, listening, reading, and writing. We also pride ourselves on providing additional opportunities to experience French culture and arts.

Come for a tour and a visit with our administrative team. We would love to showcase our school and answer any questions you may have!

ÉCOLE SILVERSPRING SCHOOL

OUR SCHOOL COMMUNITY

École Silverspring School offers French Immersion programming in Kindergarten through Grade 8 alongside the established English program.

We offer a full range of extracurricular opportunities in our school such as cross-country, volley-ball, basketball, skipping club, Marafun, Student Leadership Council, band/music, Jazz Band, Core French, and Voyageurs (wilderness club).

We are proud of our strong sense of community and we celebrate the diversity of our students. We have a very supportive School Community Council, which is actively involved in supporting our school plan through many activities including academic evenings and presentations at the request of parents. Our Home and School is a dynamic fundraising group that hosts a variety of events to support the school population. Their generous support provides opportunities for deeper exploration of academic goals.

We are dedicated to excellence in academic pursuits and firmly believe a focus on healthy bodies leads to active minds. Our proximity to the grasslands, the Northeast Swale, and the Forestry Farm allow us many opportunities to become involved in a large number of outside and best place educational activities.

OUR FRENCH IMMERSION PROGRAM

Our French Immersion program is open to all students. We are pleased to offer a dynamic elementary French Immersion Program from Kindergarten to Grade 8. French Immersion programming is provided through authentic learning environments and engaging linguistic experiences. ÉCOLE VICTORIA

OUR SCHOOL COMMUNITY

École Victoria, located in the beautiful Nutana community at the top of the Broadway Bridge, is a great place for your child to learn and grow. When you enter our building, our goal is to make sure that you feel the warm and welcoming atmosphere that exists throughout the school. Our staff is dedicated to the safety, well-being and academic education of all our students. Our school values are practiced and lived out daily by all staff and students: Respect, Courage, Curiosity, and Kindness.

We are located in the heart of an eco-conscious, arts-focused community on Broadway Avenue. École Victoria is part of an active, vibrant community with a strong School Community Council and Home and School Committee. Our building is well-used by community groups throughout the year. We value the many partnerships that exist in our school community—with parents, neighbours, and surrounding businesses.

We exclusively offer French Immersion to students in Kindergarten to Grade 8. We are focused on literacy and building strong readers and writers. We also work at building strong mathematicians who are flexible and knowledgeable about numbers and number sense. Our school offers a resource program, an arts education program led by our Fine Arts teacher, a Physical Education program taught by Physical Education specialists, and a band program that begins in Grade 6.

École Victoria has a diverse population of around 400 students housed in one of Saskatoon's first schools. We are proud to have students and families from around the world, and we celebrate our differences—on célèbre la diversité!

OUR FRENCH IMMERSION PROGRAM

Our French Immersion program is designed to develop strong language skills and opportunities to experience French culture and arts. Students generally enter the French Immersion program in Kindergarten or Grade 1. Those early years of French language learning in particular have a strong emphasis on oral language development through integrated learning. Language development continues in all grades through the use of engaging linguistic activities to develop speaking, listening, reading and writing in French.

CENTENNIAL COLLEGIATE

OUR SCHOOL COMMUNITY

Centennial Collegiate is an integrated shared-use facility partnering with the soccer centre and the City of Saskatoon. Centennial's 450-seat theatre, band room, dance studio, and modern library make it an impressive school.

Centennial Collegiate offers a variety of courses for students in English (Grade 9 to 12) and French (Grade 9 to 12). We are known for our unique programming: soccer and dance academies, History Study Tour Program, and Advanced Placement courses in calculus, statistics, physics, English, and studio art.

Centennial has become the hub of Saskatoon's northeast community. We celebrate our diversity and are extremely proud of our parents, teachers, and stakeholders for creating a place where students realize their potential and become lifelong learners!

OUR FRENCH IMMERSION PROGRAM

Centennial Collegiate offers accessible and authentic French education in core subjects such as social studies, history, math, science, and language arts. A bilingual education provides opportunity to speak, function, and problem solve through a different lens. Students will gain opportunity in the areas of employment, travel, and cultural experiences. Our French immersion program fosters friendship, independence, enrichment opportunity, and a sense of community.

MARION M. GRAHAM COLLEGIATE

OUR SCHOOL COMMUNITY

Marion M. Graham Collegiate is located in the north end of Saskatoon and currently serves 600 students from throughout the city in both our English and French Immersion programs. Our reputation for excellence in academics, the arts, athletics, and community service has resulted from outstanding work in all of these areas by our students. As a result, our school continues to attract committed and talented students. The majority of our students pursue post-secondary studies following graduation and many have received significant scholarships and awards from local, national, and international institutions.

We offer a broad range of academic courses and a full complement of extracurricular programs. The typical Marion Graham student is involved in a full spectrum of curricular and extracurricular activities.

OUR FRENCH IMMERSION PROGRAM

Our French Immersion program is a rich and diverse program. We offer an authentic environment facilitated by francophone and bilingual teachers. Our graduates are fully competent in both official languages, which opens opportunities worldwide. Spoken and written language are emphasized and reinforced to enhance curricular content. Grades 9 to 12 students engage in media and technology rich courses in a supportive and dynamic educational environment.

TOMMY DOUGLAS COLLEGIATE

OUR SCHOOL COMMUNITY

Tommy Douglas Collegiate opened in August 2007 and is Saskatoon Public Schools' newest high school. Tommy Douglas is part of a unique facility (called the Blairmore Integrated Facility) that brings together Saskatoon Public Schools, the City of Saskatoon, and Saskatoon's separate school division in partnership to provide a destination centre for city residents. We are delighted to be part of this one-of-a-kind facility, and are thrilled that our students and community have access to all that it has to offer.

At Tommy Douglas, we offer programming to meet the needs of many students. We offer a broad-based curricular program that allows students countless choices in electives. We also offer enriched and honours programs leading to optional Advanced Placement courses in a student's Grade 12 year.

OUR FRENCH IMMERSION PROGRAM

Tommy Douglas Collegiate offers French Immersion from Grade 9 to 12. Students' French language arts and history classes are exclusively in French, while the science and math courses vary in language depending on the year. The students enrolled in the French Immersion program will receive the opportunity to further explore their language development and cultural understanding both nationally and internationally.

WALTER MURRAY COLLEGIATE

OUR SCHOOL COMMUNITY

Walter Murray is a diverse community welcoming all types of learners. As a comprehensive collegiate, our size and facility allows for the broadest range of programming and extracurricular offerings in Saskatoon. We provide our students with whatever they need to be successful, whether it is appropriate academic challenge or support. The result: outstanding students who earn valuable scholarships and academic opportunities around the globe; young people who receive a solid grounding in the skilled trades and go on to apprenticeships, further training, and job offers in every trade or field you can imagine; and impressive leaders and solid citizens who make a difference in the broader community.

OUR FRENCH IMMERSION PROGRAM

French Immersion is one of several important enrichment opportunities at Walter Murray Collegiate. Students who have been successful in elementary programs, or who have equivalent fluency, are well-suited for the collegiate immersion program. Each year, in Grades 9 through 12, students will be scheduled for three to five courses (including some in math and science) where French is the language of instruction.
