High School students under age 18 must have the prerequisite course(s). Therefore it is highly recommended that students under age 18 have permission from their school to take a Summer School course. * Note ELA 9, Math 9 are not prerequisites for Level 10 courses but are recommended

These courses provide 60 hours of classroom instruction as well as extensive home work/study time daily. Students taking in-person courses are expected to attend all sessions. Students taking online courses must have access to a computer. **Textbooks for in-person courses will be handed out by the instructors at the first class and are on loan to students for the duration of the course for free. Textbooks must be handed in to the instructor immediately before or after the final exam. Students taking online courses must pay for their textbooks and will receive a full refund when the textbook is returned. Textbooks for online courses can be purchased at the Central Support Services.**
