News Release

December 4, 2018

Classes cancelled Tuesday at École Victoria School

Classes are cancelled for the remainder of the day at École Victoria School due to a water main break in the neighbourhood. There is no water service to the school until repairs are completed.

Notification has been sent to all student families. Buses are cancelled for the day. While classes are cancelled, the school will remain open until all students have been picked up.

Information regarding Wednesday classes will be sent out later today.
