## News Release

**April 22, 2021**

### **Nutana Collegiate moving to Level 4**

Saskatoon Public Schools is temporarily moving Nutana Collegiate to Level 4 of the provincial Safe Schools Plan, following consultation with the Saskatchewan Health Authority.

Since Sunday, the school division has been notified of three positive cases of COVID-19 at the school, two of which were identified as variants of concern.

Students will move to remote learning starting Friday, April 23. In-school learning is expected to resume Monday, May 10.

Since the start of the school year, Saskatoon Public Schools has had 302 positive cases of COVID-19 at 56 locations in the division – 55 schools and the board office.

The safety of our students and staff members is our priority. The safety protocols our schools have in place are critical to reducing the risk of transmission. Mask requirements, proper hand hygiene, physical distancing when possible, and cohorting classes are all measures our schools have implemented to help protect students and staff members. These measures will significantly reduce the spread of the virus.

Saskatoon Public Schools is the largest school division in the province. We operate 49 elementary schools, 10 secondary schools, one associate school and one alliance school. We serve more than 26,000 students and employ approximately 2,600 professional and support staff. Learn more at [www.saskatoonpublicschools.ca](http://www.saskatoonpublicschools.ca).
