

The Saskatoon Public Schools Foundation connects families, schools, and communities together to meet the shared goal of enhancing education for Saskatoon Public Schools students.

Many of our most committed supporters are Saskatoon Public Schools employees who donate generously through our Payroll Giving Program.

Payroll giving is an easy and seamless way to support the Foundation's work. Your contributions will come directly from your monthly cheques from September to June, and you can cancel or update at any time. All donations are fully tax deductible.

With your help, we can continue to offer students opportunities above and beyond core activities, such as:

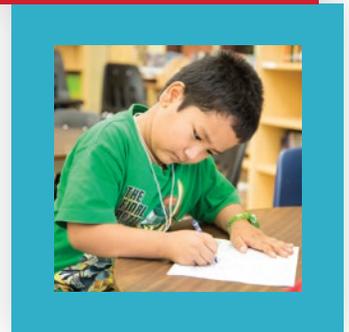

- Summer Reading Camps
- Early Learner Literacy Tutors
- Programs of Excellence Grants
- Nutrien Food 4 Thought Nutrition and School Gardens Program
- Nutrien EcoScience and Indigenous Learning Centre at Brightwater
- Cameco Centre for Excellence in Mathematics and Science, and more!

Here are some of the ways your donation will make a difference:

- \$40** Helps one child work toward grade-level reading with a session of individual support from an experienced tutor
- \$50** Contributes to granting opportunities that enable schools to take part in innovative projects that go above and beyond for students
- \$200** Helps prevent learning loss over the summer months for one child attending Summer Reading Camp
- \$875** Supports a struggling reader through a full 20-hour Early Learner Tutor Program experience
- \$1500** Funds a Mathematics Camp add-on at a Summer Reading Camp site
- \$5000** Sponsors a two-week Summer Reading Camp for 25 children
