

ABOUT US

The Saskatoon Public Schools Foundation connects families, schools, and communities together to meet the shared goal of enhancing education for Saskatoon Public Schools students.

We partner with committed businesses, organizations and individuals to support initiatives that go above and beyond the Saskatoon Public Schools' core educational programming and operations.

Mission

Mobilizing resources to enhance learning and celebrate public education.

Core Values

- Innovation
- Collaboration
- Inclusion

Vision

Enhanced learning for all Saskatoon Public Schools students.

STRATEGIC PRIORITIES

Saskatoon Public Schools Foundation will partner with a community of supporters to enhance learning opportunities for Saskatoon Public Schools students in three key areas:

Essential skills that help us understand, belong and contribute to our communities.

GOAL: Work closely with Saskatoon Public Schools to help meet the targets set for grade three reading rates.

INITIATIVES:

- **Summer Reading Camp:** Two-week day camps target students in grades one to three to boost literacy skills and help prevent learning loss over the summer.
- **Early Learner Tutor Program:** Intensive one-to-one support for struggling readers in grades one to three to help them progress to grade level reading.
- **Parent and Volunteer Engagement:** Engaging parents and community volunteers in building children's literacy.

Learning environments that promote physical activity and student wellness.

GOAL: Connect schools with the resources needed to build healthy, active spaces for learning and promote opportunities for student wellness.

INITIATIVES:

- **Nutrien Food4Thought Nutrition Program:** School-based nutrition program to ensure vulnerable students have access to healthy breakfasts, snacks and lunches and give students the opportunity to grow and prepare nutritious foods.
- **Healthy Active Schools Partner Program:** Framework to engage with organizations, individuals and businesses motivated to create and promote healthy, active learning environments.

Accelerating creativity in education and inspiring new opportunities for learning.

GOAL: Provide resources for teachers to further innovative projects in schools.

INITIATIVES:

- **Programs of Excellence Grants:** Financial supports for schools to test or scale innovative ideas and to create solutions that address challenges and opportunities impacting students.
- **STEAM in Schools:** Support schools to enhance student learning opportunities in the areas of science, technology, engineering, arts and mathematics.
- **SPS Foundation Centres of Innovation:** Support and grow existing SPS Foundation Centres of Innovation.
