

### A Registration Form of Interest

can be requested from the IB Coordinator in order to receive updates and to be added to the growing list of interested registrants.

The function of education is to teach one to think intensively and to think critically. . . . Intelligence plus character – that is the goal of true education.

- Martin Luther King Jr., American civil rights leader

### *Quote from a former IB student*

The IB programme although important academically, has proven to be important in everyday life. Now that I am taking university classes, I find myself reflecting constantly on various moments throughout the two years. Being a member of the first BRCI IB class proved to be a unique and challenging experience. It was worth some of the sacrifices I made. If you are a student with a work ethic and if you have a passion for learning, this programme is 100% for you. Along the way you may even be lucky enough to make friends and feel like you're making a difference in your community.

## IB at Bedford Road!

### Bedford Road Collegiate is Saskatoon's only authorized International Baccalaureate (IB) World School!

#### Overview:

IB World Schools are schools that share a common philosophy - a commitment to high quality, challenging, international education that Bedford Road Collegiate Institute believes is important for our students.

The IB **Diploma** Programme (for grade 11 and 12 students) was designed for students ages 16 -19 who are academically motivated and desire the rigorous curriculum often as a preparation for post secondary study. Candidates undergo internal and external as-

essment which is criterion referenced. A student who completes the IB Diploma Programme will not only gain an enhanced set of organizational, writing, speaking and collaborative skills, but the IB graduate is actively recruited by most universities in Canada, the United States and the world. In addition, students who complete an IB diploma will also achieve a Saskatchewan high school diploma.

**IBO Mission Statement:**  
*The International Baccalaureate Organization (IBO) aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.*

## What is the Diploma Programme Curriculum?

Over a two year period, IB **Diploma** students study six academic subjects, one from each group on the program model, although a second group 2-4 subject may supplant group 6.

IB Diploma Programme Model

They must also fulfill the requirements of the **Theory of Knowledge (ToK)** course, **Creativity, Action, Service (CAS)** Programme and the

**Extended Essay**. Three subjects are studied at the higher level and three at the standard level. **IB philosophy promotes the development of a well-rounded, service orientated citizen of the world.**

#### BRCI offers the following IB subjects:

- **Group 1** - Literature Studies: English A: Literature
- **Group 2** - Language Acquisition: French B, French ab initio
- **Group 3** - Individuals and Societies: History
- **Group 4** - Sciences: Biology, Chemistry
- **Group 5** – Mathematics: Math Standard Level
- **Group 6** – The Arts: Visual Arts

#### Who should consider IB?

- ⇒ Students who are academically **motivated**, seeking a **challenge** and a well rounded approach to their studies
- ⇒ Students interested in building a **skill set** for life
- ⇒ Students who plan to attend university (but not exclusively)

## What are the Pre-requisites?

Students who are interested in the IB Diploma Programme should contact Bedford Road (see below). Interested students **will be guided in course options that will satisfy the prerequisites for the IB Diploma Programme.**

The **Advanced Program** (not mandatory) at Bedford Road at the grade 9 and 10 levels offers appropriate programming in preparation for the IB Diploma Programme.
