• Student Fees

As a result of the Board of Trustee's approval of budget items in 2011, basic school fees are no longer charged at elementary schools. The School Board provides money to each elementary school based on a per pupil allotment using September 30th enrolment data each school year. During the 2023-2024 school year, our classrooms may choose to charge students for specific special outdoor learning opportunities. You will be notified well in advance if a small fee is needed for these excursions.
