FLEX PROGRAM ADVANTAGE

The Flexible Schedule, Blended Learning Program allows students in Grades 6 to 12 to participate in skill development in athletics or the arts outside of traditional school offerings while receiving a quality education in a flexible, blended learning environment. This program is designed for students who struggle to find enough time in the day to attend regular school hours, complete homework, and be dedicated to a high level of athletic or artistic involvement outside of school. The Flex Program provides students with face-to-face instruction as well as online learning opportunities to accommodate alternate schedules so that students may pursue their passions in arts and/or athletic pursuits.

DIVERSE COMMUNITY

Students come together from in and around Saskatoon to form a community of learners at City Park School. Students transition to a new school where they share their passion for the arts and/or athletics. Current and former students in the FLEX program participate in the following activities: gymnastics, swimming, diving, squash, cello, choir, hockey, figure skating, weight lifting, track and field, wall climbing, and dance.

Any Grade 5 to Grade 11 student who is committed to and dedicates time to an arts or athletic program outside of school is eligible to apply for the FLEX program.

APPLICATION PROCESS

Due to the individual needs of each artist/athlete, we welcome you to book a time to meet personally with our FLEX team and ask any questions you might have.

HIGHLIGHTS
