Summer has officially begun! As things wind down at school we are in the process of planning for next school year. This process is both exciting and sad. It is exciting to make the plans to support our students in the fall but it is sad to say farewell to those staff who are moving on.

The following individuals are not returning to Mayfair in the fall and we thank them for their contributions and wish them all the best:

After eight years at Mayfair Community School Mrs. Krysak is moving on to work at Brownell School. Mrs. Krysak is a dedicated Educational Assistant who always goes above and beyond to meet students’ needs. She did this through her work with our Functional Life Skills group as well as the daily interactions with all of the students she supports.

Ms. Wooster has been a great addition to our staff this school year. In her role as English as an Additional Language (EAL) teacher she did a marvelous job with not only teaching our students English skills but she also made each and every one of them feel valued and respected. She is moving on to Westmount Community School.

We are also saying farewell to Ms. Summach and Mrs. Ferguson. These fine ladies have filled in maternity leaves. Ms. Summach has filled the grade 7/8 position for Mrs. Konechny, and Mrs. Ferguson has covered Mrs. Puobi’s teaching responsibilities.

Mr. Riesling has been teaching band class during Mrs. Lake-Henderson’s maternity leave.

Ms. Hopkins has been a literacy support to our school working two half-days per week.

Ms. Nieckar has been a rotational Educational Assistant working in our grade one classroom in the mornings.

Ms. Paul is leaving our Nutrition Room to further her education.

We wish them all the best!

As students embark on summer vacation we would like to remind you of the importance of daily reading. Maintaining reading skills is very important. Like all skills, if we do not use them, we can lose them. The Mayfair Public Library is willing to meet all of your summer reading needs. The best part of the public library is that it is free. When your child tells you they are bored we hope you send or take them down to the public library. Just Read Mayfair!

On behalf of the Mayfair Community School staff we want to wish you and your family an excellent summer. It has been our privilege to serve your child/ren and we look forward to seeing you in the fall. For those students who are moving or our grade eights who are transitioning to high school we thank you for your time at Mayfair. You will be missed!
