

INFORMATION FOR UPGRADING STUDENTS

- Register by Sept 30 in order to take up to two classes at no charge per school year as an upgrader in Saskatoon Public Schools
- Must be registered and attending at least one class by September 30
- Second class can be taken in September or later in the school year
- If registering after September 30, cost of tuition is \$500.00
- Payment can be made using School Cash Online by credit card or e-cheque

TUITION REFUND POLICY

- If student withdraws within the first two weeks—full refund
- If student withdraws between the third week and midway through the course—50% refund
- If student withdraws after the midway point of the course—no refund

WITHDRAWING FROM “NO-CHARGE” CLASSES

- If a student withdraws prior to September 30, they will not be eligible for courses at no-charge during the school year
- If the student withdraws between September 30 and the midway point of the course, they may take a different class at no cost
- If a student withdraws from a class after the midway point of the course, the course shall count as one of their two allowed courses at no-charge

Students may write a ministry-prepared supplemental examination to raise their marks in a Grade 12 subject for which a provincial examination is prepared.

- Rather than upgrading full classes, students may write any number of provincial examinations as supplementals at any of the sessions
- When a student has multiple course attempts, only the highest mark attained will appear on the Transcript of Secondary Level Achievement
- To register for a supplemental examination, contact: Student and Educator Services, Office of the Registrar at student.records@gov.sk.ca

CONTACT ONE OF THE FOLLOWING SCHOOLS FOR MORE INFORMATION

Nutana Collegiate

306.683.7580

NutanaSchool@spsd.sk.ca

- Students take courses in-person in a quarter system format (two classes per day for 10 weeks with four intake times per year).
- The majority of students are at the senior level upgrading their marks in a few courses, completing prerequisites for specific post-secondary programs, or returning to school to meet final graduation requirements.
- Has an onsite daycare, a student parent support centre (Jacoby Centre), a daily breakfast program and school community supports for outreach.

Royal West Campus

306.683.7540

RoyalWestSchool@spsd.sk.ca

- Continuous intake of students until springtime (March 31 of each school year).
- Students are able to work at their own pace. This means that students can finish their courses as quickly as they wish or take extra time to really grasp learning concepts.
- The majority of students are at the senior level upgrading their marks in a few courses, completing prerequisites for specific post-secondary programs, or returning to school to meet final graduation requirements.
- Has an on-site daycare that provides outstanding care for children of Royal West students. Nutrition support also provided for students. Support for obtaining personal identification documents. Access to different cultural activities (ribbon skirt and shirt making, beading, etc.).

Online Learning Secondary

306.683.8313

onlinesecondary@spsd.sk.ca

- Online Learning Secondary offers Saskatchewan high school courses in an online learning environment.
- Wide variety of course-based programming available.
- Students use Blackboard as their learning management system.
- Work around your own schedule and commitments in a flexible learning environment.
