School

Things looked different last spring!

- But we made it!
- Silverwood students, staff and families worked hard to stay connected! Your faces lit up our days when we couldn't be together!

Hello and Welcome Back!

- The following information represents our school specific plan for a safe return to school at Silverwood Heights School. Please note that the plan is subject to change at any time based on direction from Saskatchewan's Chief Medical Health Officer.
- We hope you all had a chance to read over the Parent and Caregiver Reopening Handbook.

*It is important that you read and know the
SPSD Caregiver Handbook

How do you feel today?

Every morning before your child leaves for school, please check to see if they are experiencing any of these symptoms:

- Please take the time every morning to go over the Daily Check-In with your children
- Students who show signs after they have arrived at school will be put in a safe space, close to Ms Segó, while families are contacted

Our school is still the same great place!

- There are just some changes...we will learn these together and will be very good at following our new norms in no time...
