Welcome to the Silverwood Heights Kindercare Program page. We are excited to tell you about this program currently entering its second year at Silverwood Heights School!

The Kindercare program is designed to offer child-minding for children registered in Silverwood Heights School Kindergarten outside of their scheduled half-day Kindergarten class. We operate out of Silverwood Heights School so you do not need to worry about transferring your child from one location to another during your lunch hour! We work closely with the school to ensure your child has smooth transitions between our program room, their classroom, the lunchroom, or the playground. The program in not in operation either on common dismissal days or on school breaks.

The program is a non-profit program run by a parent board. This is allows us to keep our numbers and costs low while positively impacting the type of programming our children receive. You are charged a low monthly fee. If there is a special activity you may be charged an activity fee in addition to your monthly rate, but you are always made aware of extra fees in advance and extra activities require 100% parental approval.

Registration for Kindercare is on a first-come, first served basis until we have reached our maximum numbers. Your children may participate in any number of activities during their days in Kindercare. Our supervisor maintains a healthy routine for our Kindercare kids to ensure a combination of educational and play activities occur throughout the day. Your child will regularly listen to stories, do crafts, participate in imaginative play and physical activity. This year we have had Kindermusic come into our classroom one day each week to lead our little learners in music education.

We do our best to accommodate families that need our services while providing a safe and low cost option for child-minding for our families. If your child has special needs and you would like to discuss if our program could meet their needs please contact us.

Our AGM is in June of each year. We are always looking for new board members as the children of our board members move out of Kindergarten.

For registration, the policy manual, or other information, please contact our Program Supervisor, Trish Person at silverwoodheightskindercare@gmail.com.

We hope to see you around Silverwood Heights School!

Sincerely
Kindercare Board
