Extra material – Teachers may request some extra materials, in this case, students will be notified in the fall.

Label supplies – Please be sure all items are labelled with your child's name. Students are expected to replenish supplies as they are lost or used up. Please do not label Ziploc bags.

Recycle/Reuse – now is the time to look at what can be reused from last year's school supplies. It seems pointless to buy new supplies if some materials can continue to be used! Let's be environmentally friendly!

Share – if you have an extra (anything), our classrooms would be appreciative of your donation.
