BUS RULES

1. Follow all drivers' instructions promptly.
2. Students must be ready to board the bus **FIVE MINUTES before their scheduled departure time**. The bus driver will not leave a departure point before the arranged scheduled time; however, they cannot wait for children that are not ready to leave on schedule.
3. Students **must** go straight to the bus at the end of the school day, to avoid anyone being left behind. If a child is left behind, the child must go to the front office where a staff member will call the parents/caregivers to pick up the child.
4. In the event that the bus has not arrived at the bus stop after **TEN MINUTES of the scheduled time (During Cold or Adverse Weather)**, students are to return home and then go back to the bus stop one hour after their original pick-up-time.
5. Pre-K and Kindergarten children **MUST be physically seen and acknowledged by guardian** or the driver will **NOT** allow the child to exit the bus and the child will be returned back to the school.
6. Seating will be assigned by the bus driver. Students must stay seated until your stop. For safety, arms and legs must be kept within the seat area.
7. Be polite and quiet. Respect your driver and fellow students. Foul language, shouting and fooling around are **not** permitted.
8. At railway crossings, be quiet.
9. Carry-on items such as lunch boxes or books must be held on the lap or kept on the floor by your feet. Some items present a safety concern and will not be allowed on the school bus.
10. Aisles must be kept clear of all obstructions.
11. Windows are to be adjusted only with the permission of the driver. Do not throw anything out of the bus.
12. Eating is **NEVER** permitted on the bus.
13. Please wake any sleeping children you see and tell the driver.
14. Tell the driver if you are being bothered by other students.
15. All First Student buses are **scents free** zones please remember no fragrances as many have allergies.
16. If your child will not be on the bus in the P.M, please inform your bus driver

If there are delays or cancellations with your child's bus route, there are a couple of options available to you to find out information quickly:

- Call **306-343-3300** our information hotline
- A website to access the updated details of any cancellations or delays. This website gives you the option to subscribe to emails that will alert you to your specific route <https://saskatoon.firststudentinc.com>

Students who do not follow the drivers' instructions may be suspended from the bus. It is the job of parents and caregivers to review the bus rules with their children so everyone understands that breaking these rules will lead to a suspension on the bus.

Thank you for your Co-operation!!
