DON BATES

"This semester we had students from across the city and province attending Tiger Softball Academy. It has been rewarding observing new friendships develop through the game of softball. We look forward to meeting new academy students in August and seeing the familiar faces of our returning students."

STUDENT TESTIMONIALS

"My two semesters of Softball Academy have helped me achieve my goal of a softball scholarship."

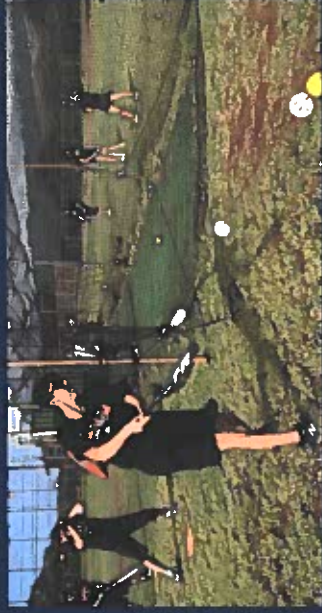

- Keeley Van Blaricom
(Recruited by University of Great Falls Argos)

"Softball Academy has been a great three years! The skills developed on and off the field will help me transition to college."

- Kenzie Friesen
(Recruited by Liberty University Flames, Lynchburg, Virginia)

OUR FACILITIES

We are very fortunate to have three beautiful softball diamonds right outside our door. In addition, we have two batting cages and a 40ft. storage container with shelving where students are able to store their softball equipment. When the weather cools off, we will be training two days per week in the new multi-million
