Walter Murray Course Selection Procedures for 2019-2020 School Year

Students will select their classes for 2019-2020 school year online using our web-based Maplewood software which is accessible from our school’s web page. This information will highlight the procedures students will need to follow in order to correctly select their courses.

STEP 1: The first step is to navigate to the Walter Murray Collegiate web page.  
*ie;  http://www.spsd.sk.ca/school/waltermurray/Pages/default.aspx

STEP 2: Type in your username and password. Then click the Login button.

STEP 3: Place the mouse over the “Timetable” tab and move down to “Choices” and click.

STEP 4: Click on the “Edit” button.

STEP 5: Click on the “+” beside each of the departments and continue to click into the specific grades and eventually click on the course you wish to select.

STEP 6: Once you have clicked on this course, a description appears on the right of your screen as well as the specific prerequisite. Also, the option of “Mandatory”, “Elective” or “Alternate” appears. For compulsory courses click on” Mandatory” and for elective courses use “Elective”. Please do not select” Alternate”.

STEP 7: Click the “Add” button. Once you have clicked the button the course appears with a “Delete” button as an option in case you don’t need that particular course.

STEP 8: Go back to the department listing on the left side of your screen and select the other courses that you need. Once you have finished selecting all your courses, click on the “Close” button.

STEP 9: Once you have clicked on the “Close” button, you will have a list of all the selected courses as well as associated fees. You will still have the option to Edit or View individual choices.

STEP 10: If you are satisfied with your choices click on the “Logout” button. Then a screen will appear that indicates you have logged out.

IMPORTANT: It is advised that you have a Course Selection Booklet (also available on line) with you as you make your choices so you can see the detailed descriptions, prerequisites, etc. necessary to make the correct choices. If you have any questions about this process, please contact Student Services to see a counselor. GOOD LUCK!!
## YOUR CREDIT EARNING ENGLISH PLAN
