PRINCIPAL’S MESSAGE

The beginning of semester 2 signals our annual Marauder Invitational Tournament. It was great to see so many students and staff get involved once again and run a very successful tournament. We were also very excited for the boys’ and girls’ team who made it all the way to the finals. Another exciting event that took place was our Open House on Thursday, February 8. We had over 700 potential new students and parents who were extremely impressed with the variety of programs we have to offer and the amazing facility for which students take advantage.

As we move into March and with the days getting longer, this indicates spring is coming. Badminton is going on with Track and Field soon to follow. The wrestling and basketball seasons are winding down.

A couple of key reminders about the next SCC meeting which will take place in the library on Tuesday, March 20 at 7:00 pm. Our Student Progress Conferences will be taking place on Thursday, March 22 from 6:30—9:30 pm and on Friday, March 23 from 1:30—3:30 pm.

Please do not hesitate to contact the school if you have any questions with regards to your son’s/daughter’s education.

Yours in learning,

Tom Sargeant,
Principal

From the Board Table

Highlights from the Feb. 13, 2018, meeting of the Board of Education:

Mayfair Community School principal Todd Berg, and vice principal Tiffany Smith, highlighted how their school implements learning SPRINTS, and the success students and teachers are experiencing. SPRINTS puts student learning into action by collecting data, creating short-term specific learning targets, and providing responsive instruction based on student need. They also shared the school’s work in creating a culture of reading by boosting classroom libraries and creating the Bedtime Book Club to encourage reading at home.

Teacher Jennifer Herrod and grade 3 students from Silverwood Heights School shared their learning about democracy and how to be responsible citizens during the Celebrating Excellence portion of the meeting. Herrod was selected to participate in the Teachers’ Institute on Parliamentary Democracy on Parliament Hill in Ottawa and the opportunity inspired her to do even more to ensure that her students understand the value of democracy in society.

Reports and information presented at board meetings can be found at saskatoonpublicschools.ca. The next meeting of the Board of Education is Tuesday, March 13, at 7:00 pm. The public is welcome to attend.
Walter Murray parents will schedule their own student progress conferences using an on-line scheduling program. **The window for booking conferences opens at 10:00 am on Wednesday, March 14.** At that time you will be able to access the scheduling program directly, or through a link on the Walter Murray parent portal.

If you are having trouble accessing the parent portal or need to reset your password, please contact the main office at (306) 683-7850 prior to the online scheduler opening.

- **Scheduler Website:** to access the scheduler site directly (only after 10:00 am on March 14):
  
  webapps2.spsd.sk.ca/PTI/

- **Parent Portal:** to access the PTI Scheduler Site link (right hand side of main portal page):
  
  spslearn.spsd.sk.ca/schools/wmc/

- **Parent Support:** for assistance with your username and password:
  
  Parent-questions@spsd.sk.ca or waltermurrayschool@spsd.sk.ca

**Suggestions:**

Access the portal in advance of the scheduling open date to ensure you have a working username and password.

There is a lot of very important information on the portal throughout the year and we encourage you to check it regularly for important announcements, reviewing your student's attendance, and other tasks.

Please note that you need an email address and telephone number on file at the school for a parent account to exist and to access the portal. If you change your email address or telephone number, always notify the office. Also check your SPAM filter to be sure the email wasn't placed there.

Use the username and password that was supplied to you by email. Please use the following username format P, your area code, your telephone number – ex. P3066837850@spsd.sk.ca

Keep this username and password in a place that you will be able to find when you go to access the site at a later time.

**Online Scheduler OPENS at 10:00 am. on Wednesday, March 14. Please remember to print a copy of your scheduled appointments.**

Not all interviews will be held in the regular classroom. Please pick up a map and directory when you enter the school.

Refer to the following two pages for instructions and support navigating through the online scheduler site.

Once in the portal, select the PTI Scheduler
Scheduling an Interview

1. Select the school you want (WMC) and the event time (March 2018).
2. Click on “Schedule an Interview”.
3. Student name appears.
4. Select a class from the drop down menu.
5. Choose a date from the drop down menu.
6. Click on the available time drop down menu and choose a time. If the time is not available it will say “booked”.
7. Click on “Schedule for this time”.
8. Repeat this for each class and each student. If you have more than one student, go back to the student name drop down menu and choose the next student to follow and the same procedure for each.
9. Once you have finished booking all of your interviews, click on the drop down arrow for “Schedule an Interview” and choose “View a Schedule”.

It is recommended that when rescheduling interviews that the “Reschedule For This Time” option is used instead of cancelling the scheduled interview. If instead the scheduled interview is cancelled by the user and upon trying to schedule for a new time that turns out not available then there is the possibility that the original scheduled interview time may also no longer be available, if another parent has set up an interview with the same teacher for that interview time.

IS YOUR CONTACT INFORMATION UP-TO-DATE?

At Saskatoon Public Schools, the safety of our students is our first priority. As part of this commitment, we believe in providing comprehensive means for communicating with families. It is our goal to provide you with important information promptly when necessary.

In the case of urgent situations that cause disruptions to school operations we will notify you through a mass notification system, Everbridge. This may include severe weather, water main breaks, power outages and school lockdowns. Please ensure your contact information is up-to-date with your child’s school.

If you have any questions, please contact your school principal.
What is PISA?

PISA stands for Programme for International Student Assessments. It is an important international study that measures the competencies of 15-year-olds from over 80 different countries in reading, mathematics, and science. PISA 2018 is the seventh PISA study that has been conducted since 2000. Reading will be the major assessment domain this PISA cycle and the assessment will be entirely computer-based.

The field test for PISA 2018 was conducted in spring 2017. The main study will take place between April 23 and May 31, 2018 in selected schools across Canada.

What will students be asked to do?

In April and May, about 25,000 students from 1,000 schools across Canada will be participating in the PISA 2018 main study.

- Up to 53 students from each sampled school have been randomly selected to participate in a computer-based assessment in reading, mathematics, science, and global competencies, as well as financial literacy in some provinces.
- Students will also be asked to complete a 35-minute Student Questionnaire.

All the information collected will be kept strictly confidential. No results will be published at the individual student or school level.

Do students need to prepare for the test session?

No. Students do not need to prepare for the assessment. During the test session, they will be asked to answer all the questions to the best of their ability. They will not have access to external resources or reference materials.

Will the results affect the student's academic record?

No. Students' results will not affect their academic record as the results will be used for research purposes only.

Who is interested by this information?

The students' results are critical in shaping the profile of Canadian 15-year-olds. Parents, students, the Canadian public, and those responsible for education want to know whether youth are acquiring the necessary skills and knowledge to meet the challenges of the future. Information obtained from provincial, national, and international measures helps us understand the achievement of students.

The results of PISA 2015 were released on December 6, 2016 (www.cme.ca).

How were the students chosen?

Around 1,000 schools were randomly selected to represent Canada. Within these schools, a sample of students aged 15 has been randomly selected to take part in the assessment.

Who is conducting the study?

PISA is being directed by the Organisation for Economic Co-operation and Development (OECD). In Canada, PISA is carried out through a partnership between the Council of Ministers of Education, Canada (CMEC) and Employment and Social Development Canada (ESDC).

For more information, visit our Web site at https://www.cme.ca/251/Overview.html

School calendar approved for 2018-19; classes start September 4

Students in Saskatoon Public Schools will begin the 2018-19 school year immediately following the Labour Day weekend.

The first day of classes for students in both elementary and high school will be Tuesday, Sept. 4, 2018, according to the school year calendar approved by the Board of Education during its meeting Feb. 13.

The post-Labour Day start date meets with guidelines from the Ministry of Education.

The calendar represents a total of 195 days with a minimum of 950 hours of instruction for students.

The calendar includes a 16-day winter break around Christmas and New Year’s Day, a nine-day break in February that includes the Family Day holiday and a 10-day spring break in conjunction with the Easter long weekend.

Information about the scheduling of professional development days and confirmation of the final day of classes for students in June 2019 will be added to the calendar in the near future.

The school year calendar is developed in consultation with stakeholder groups as well as other area school divisions.

### One Acts 2018

Walter Murray Collegiate is excited to once again host the Regional One Act Festival from Thursday, March 22 to Saturday, March 24. School groups from around the city and as far away as Prince Albert will come to the Murray auditorium to compete in the three-day theatre festival. The best overall show will go on to perform at the provincial festival in Regina – a distinction that our school has earned for the past two years in a row!

- **2016 Best Overall Show** Departures and Arrivals from WMC
- **2017 Best Overall Show** If You Really Love Me from WMC

Walter Murray has two plays entered in this year’s festival. Grade 12 student Anwyn D. is directing the satirical melodrama, The Wild Flowering of Chastity or Chaste Across the Stage by Dutton Foster, and Ms Pavlin is directing the dramedy, by Jonathan Dorf. All plays in the festival are open to the public and admission to each play session is $5. Please see below for the dates and times of the Walter Murray shows:

**The Wild Flowering of Chastity or Chaste Across the Stage**— Thursday, March 22 at 8:15 pm and 4 A.M.—Friday, March 23 at 7:00 pm

But there’s no need to wait for the festival to support Walter Murray! Students, staff, friends, and family will get an extra chance to see the Walter Murray plays on Thursday, March 15 and Friday, March 16 at 7:00 pm. Admission is $5 for entry to both shows. All funds raised will go towards the students’ participation in the festival!

**FUN AND MATH GO TOGETHER!**

On Tuesday, February 27, 118 grades 9 to 11 students challenged the national Pascal, Cayley and Fermat math contests. Facing them were 25 multiple choice math questions of increasing difficulty requiring students to apply outcomes learned in their math classes. When asked what they thought of the contest, students responded: “It was fun”, “It’s a great way to challenge myself”, and “It’s a great way to set goals and meet them”. If you missed the opportunity for a mathematical challenge, there are more to come in the next two months. Meeting new friends and learning to think in different ways about math are the best parts of participating in Math Club and/or Math Circle.

"When do they meet and where, and what happens at the math club/math circle sessions?"

Can I still join? Absolutely! We would love to have you come and be a part of the group. Just come to room 304 at the specified times.

"How have Walter Murray students been performing on the challenges/contests thus far?"

First and foremost, every student who has taken a risk to challenge themselves mathematically by participating in a math contest deserves credit. Keep taking risks! Notable performances thus far are given below. Results from future performances will be listed in the next newsletter.

**COMC**
- Grade 12: Yunfei W. (Gold Award), Gary C. (Performance with Distinction)
- Grade 11: Kyle L. (Provincial grade 11 Gold award)
- Grade 10: Ray D. and Tyler B. (Provincial grade 10 Bronze award)
- Grade 9: Jordan W. (Provincial grade 9 Silver Award), Ryan K. (Provincial grade 9 Bronze award)
- Honor Roll: Chris V., Quan D., Vanessa C., and Arup U.

Robin W.’s performance placed him in the 99.2% in Canada and won him a berth to write the Canadian Math Olympiad in March. Good luck Robin!

**CIMC**
- Our team consisting of Ray D., Arup U., Bhavandeep B., Morgan R. and Nadia A. placed seventh in the province and 39th in the nation (out of 500 teams). Way to go team!

**CSMC**
- Our team of Yunfei W., Kyle L., Teddy Y., Sarah Z., and Chris V. placed first in the province and thirteenth in the nation (out of approximately 500 teams)—Great job team!

**Canadian Math League**
- Walter Murray is currently tied for thirteenth in the nation out of ~120 teams. One more math league contest to go on Tuesday, March 20. Let’s do our best to maintain our standing.

"What opportunities are still available in the next two months in addition to Math Club/Math/Circle?"

(So glad you asked!)

- **Canadian Kangaroo Math Contest**
  - Sign up on line at kangaroo.math.ca
  - Sunday, March 18 at 11:00 am

**Arts Ed 9**

**Arts Ed 9 classes to Persephone Theatre on Thursday, March 22.**

On March 22, Arts Ed 9 students will be travelling to Persephone Theatre to see the musical *Onegin*. All students needed to bring their permission form signed by a parent and $4 to help cover bus costs by March 2. Students must bring a bagged lunch.

Attending students will be dismissed at 11:40 am from period 3 to grab their jacket and eat their lunch in the cafeteria. Students should meet at the north doors at 11:55 am to board the bus. Buses depart at 11:55 am sharp. The play will run from 12:30 pm to 2:40 pm. Students will return from the school shortly after 3:00 pm and will meet in the cafeteria to work on the musical review assignment worth significant marks for their arts education class. If you have any questions, please email your arts education teacher.

**Students not attending the performance** will be expected to be in the cafeteria with a supervisor working on homework or reading for the afternoon.

---

**Band Festival Dates - WMC Band Room**

**Thursday and Friday, April 19 and 20**

- **Grade 9**: Thursday, April 19, Period 1 (8:15 am warm up; 8:45 am performance band room)
- **Grade 10**: Friday, April 20, Period 2 (warm up in band class; 9:55 am performance band room)
- **Senior**: Friday, April 20, Period 3 (10:45 warm up in guitar room; 11:15 performance band room)

**All students must wear their band shirt and be dressed full black from the waist down (shoes, socks, tights, skirt).**

Family are invited to attend the performance with free admission.
The **Auto Mechanics** Department is looking for repair jobs for our willing and able grade 11 and 12 students. Parts are available at a discount, and labour is free, although it takes more time to repair things than it would in a regular auto shop. Oil changes, tires, repairing antifreeze or oil leaks, vibrations, some electrical problems, brakes, and “check engine” lights are the kinds of work we can do. If you are interested in having your (or someone you know) vehicle worked on, please let Mr. Fenske know by e-mailing him at fensker@spsd.sk.ca.

---

**Debate Team**

The Walter Murray debate team competed at their final tournament before provincials on Friday, February 9, with 14 debaters representing our school. All teams scored well, with Mueez R. and Nathan G. placing third, and Anwyn D. and Afsohneh A. placing first in the tournament! Anwyn also won the award for best speaker. It’s been a fantastic season, with every regular debater placing in the top three of their category at least once. Best of luck as you prepare for the provincial debate competition on March 4 in Regina.

---

**Curling**

The curling season started in November with a record number of interested curlers. We entered three “B” division girls’ teams, one “B” division boys’ team, and one “A” division mixed team in the city high school league. The “B” teams completed their season in January in the first round of playoffs. The mixed team earned the title of SSSAD league high school mixed champions with a 5 and 1 record. They went on to capture the SSSAD high school city championship. Next is regionals in Saskatoon on March 3 and 4, and hopefully provincials in Moose Jaw on March 10 and 11. Good Luck!

---

**Summer School**

Once again, Saskatoon Public Schools will offer summer school classes. **Location:** Nutana Collegiate—411 11th Street East  
**Classes Offered:** TBA  
**Cost:** $400 per class (regardless of age)  
For more information, please visit our website (google): Saskatoon Public Schools. This website will be **updated** and posted in mid April of 2018.

---

**The 35th Annual MIT Tournament**

Our senior boys’ went though the round robin of MIT undefeated but lost in a hard fought final to Centennial Collegiate. Adam L. was named the Marauders MVP of the tournament. The highlight play of the tournament was Ruon T. making a 3 pointer with only one shoe! Great job guys.

**WMC Attendance**

Please call our attendance line at 306 683 7855. If you are leaving a message, please spell the first and last name of the student if it is a tricky spelling. Also, the grade of the student.
WMC Graduation Activities 2018

Although graduation is still a few months away, it is important for every family of a potential Grade Twelve graduate to be aware of the following information. The 2018 Walter Murray Graduation will be held this year on Wednesday, June 27 at 10:00 am at TCU Place (formerly Centennial Auditorium). The school-based administrators in 2006 decided to move all collegiates to a true graduation format. This change in format now means that only those students who have actually matriculated from high school will walk across the stage after final exams in late June.

Graduation Advisors in charge of coordinating the graduation activities for this year are as follows:

◊ Banquet & Dance – Ms L. Kalesnikoff, Mrs. L. Wolter, Mrs. S. Laverty
◊ Gowns – Mrs. J. Glasel
◊ Grad Exercises – Ms K. Shircliff, Ms C. Tillman

At the beginning of semester two, the advisors asked each grade twelve Advisory class to choose a representative to form a graduation committee. The staff advisors and the graduation committee meet once a week to make decisions regarding the graduation theme, the banquet, and the dance.

Timeline of Graduation Activities

Tuesday, March 20

♦ Parent information night at 7:00 pm in the library. Information package will be mailed to all grade 12 students following this meeting.

April 16 to 20

♦ Grade 12 banquet and dance ticket sale at noon in the projection room.

Friday, May 4

♦ Grade 12 banquet and dance at TCU Place, Grand Salon (upstairs).

May 14 to 17

♦ Nomination process for Valedictorian in cafeteria.

Thursday, May 24

♦ Voting for Valedictorian during Advisory in the cafeteria.

Thursday, June 14

♦ Grad rehearsal during Advisory in the auditorium.

GRADUATION EXERCISES AT TCU PLACE
WEDNESDAY, June 27 at 10:00 am

Semester 2 Final Exams

June 19—25: Grade 12’s Final Exams
June 20—26: Grades 9’s to 11 Final Exams

*Monday, June 25 is the Deadline for Final Graduation List*
SCHOOL-BASED GRADUATION REQUIREMENTS

To be eligible to participate in all graduation events planned by the school, students must satisfy the following requirements by Tuesday, June 26 of the graduation year:

* Be registered in grade 12
* Have not previously participated in a secondary school graduation
* Have paid all required school fees
* Have all grade 12 Saskatchewan Department of Education requirements during the school year. Saskatchewan Department of Education requirements are a minimum of 24 credits and all compulsory grade 10, 11 and 12 courses.

A student’s graduation status may change upon review of midterm failure(s) in the spring semester. If a student is unsure of his/her graduation status, it is the student’s responsibility to contact a counsellor.

More specific information will be distributed at the grad parent meeting on Tuesday, March 20 at 7:00 pm in the library. All parents and graduating students are encouraged to attend this important meeting.

Semester One Only Students

A student who has attended WMC for semester one only and is planning to participate in the graduation ceremonies should leave his/her name and contact information with Karen Mapes in Student Services so that he/she will receive information on graduation 2018.

We recognize the importance of graduation to our students and their families. We are committed to working with you and keeping you informed in order to make this celebration meaningful. If there are any questions concerning the school-based graduation, please call the school at 306-683-7850 and ask to speak to one of the Graduation Advisors.
