PRINCIPAL’S MESSAGE

Walter Murray has been a very busy place over the past couple of months. We finished up final assessments for semester 1 and jumped right into our new classes for semester 2. We hosted the 37th Annual MIT basketball tournament where our girls and boys performed very well. We followed that up with a terrific Open House, where our students and staff put on a tremendous show for future Marauders. It was great to see the spirit and pride come through and represent what Walter Murray is all about!

As we head into March, you will see the ending of basketball and wrestling. This will signal badminton and track and field, as well as, girls’ soccer will start. Please encourage your child to get involved and connected to the variety of extra-curricular opportunities we offer to provide a whole school experience.

The next School Community Council meeting will be on Tuesday, March 17th at 7 p.m. in the library. This is a great opportunity to learn more about what is happening at Walter Murray. The very important Student Progress Conferences will be happening on Thursday, March 26th from 4:30 to 7:00 p.m. and Friday, March 27th from 1:30 to 3:30 p.m. We look forward to seeing you in the school checking up on how your child is performing in the classroom.

Spring is coming, so nice weather is on the horizon!

On behalf of our staff,

Tom Sargeant  
Principal

Congratulations to all of the teams that competed in the 37th annual Marauder Invitational Basketball Tournament at the end of January. The Marauders faced competitive teams from various Saskatchewan cities as well as teams from within the city. In the end the Senior Girls’ team finished in 6th place while the Senior Boys’ team nearly repeated as champions before settling for 2nd place. Results and continually updated photos can be found at www.marauderbasketball.com/mit.
Walter Murray parents will schedule their own student progress conferences using an online scheduling program. **The window for booking conferences opens at 10:00 a.m. on Wednesday, March 18.** At that time you will be able to access the scheduling program directly, or through a link on the Walter Murray parent portal.

If you are having trouble accessing the parent portal or need to reset your password, please contact the main office at (306) 683-7850 prior to the online scheduler opening.

  Parent-questions@spsd.sk.ca or waltermurrayschool@spsd.sk.ca

**Suggestions:**

Access the portal in advance of the scheduling open date to ensure you have a working username and password.

There is a lot of very important information on the portal throughout the year and we encourage you to check it regularly for important announcements, reviewing student’s attendance, and other tasks.

Please note that you need an email address and telephone number on file at the school for a parent account to exist and to access the portal. If you change your email address or telephone number, always notify the office. Also check your SPAM filter to be sure the email wasn’t placed there.

Use the username and password that was supplied to you by email. Please use the following username format P, your area code, your telephone number – ex. P3066837850@spsd.sk.ca

Keep this username and password in a place that you will be able to find when you go to access the site at a later time.

Please remember to save a copy of your scheduled appointments.

Not all interviews will be held in the regular classroom. Please pick up a map and directory when you enter the school.

Refer to the following two pages for instructions and support navigating through the online scheduler site.

Welcome to Saskatoon Public Schools' Parent/Teacher Conference Scheduler

Step 1) Select the Parent/Teacher Conference Event you want to work with (if applicable):

Event:  WMCI

Step 2) Select your action option:
- Schedule An Interview
- View My Schedule
Scheduling an Interview

1. Select the school you want (WMC) and the event time (March 2020).
2. Click on “Schedule an Interview”.
3. Student name appears.
4. Select a class from the drop down menu.
5. Choose a date from the drop down menu.
6. Click on the available time drop down menu and choose a time. If the time is not available, it will say “booked”.
7. Click on “Schedule for this time”.
8. Repeat this for each class and each student. If you have more than one student, go back to the student name drop down menu and choose the next student. Follow the same procedure for each (step 1 through 7).
9. Once you have finished booking all of your interviews, click on the drop down arrow for “Schedule an Interview” and choose “View a Schedule”.

It is recommended that when rescheduling interviews that the “Reschedule For This Time” option is used instead of cancelling the scheduled interview. If instead the scheduled interview is cancelled by the user and upon trying to schedule for a new time that turns out not available then there is the possibility that the original scheduled interview time may also no longer be available.

IS YOUR CONTACT INFORMATION UP-TO-DATE?

On the school level, you also need up to date information on Maplewood to receive attendance notifications, to book student progress conferences, to receive newsletters (via Canada Post or email), and for grad information mailouts.

The 22nd Annual Provincial Skills Competition will be held in Saskatoon on Friday, April 3, 2020. For more information please contact Mr. Neufeld.

For more information please google: skillscanadasask.com

The Marauder Fitness Room is available to all students to use at lunch and after school Monday to Friday (closed Friday after school). Fitness passes are $25 for the year. Get fit Marauders!

SMUDGING—Fridays at 3 p.m. ~ Room 146 or Courtyard
(weather permitting) all students welcome.

I smudge to cleanse…
My hands so that I may do good work and create beautiful things;
My mind so that I can understand and have good ideas;
My ears so that I can hear the teachings;
My eyes so I can see and learn from what I observe;
My nose so I have the breath and energy needed to work;
My mouth so that I may speak with wisdom and share the teachings;
My feet so that they take me where I need to be;
My heart so I have compassion for creation because they are my relatives.
ONE ACT PLAYS

Walter Murray Collegiate is excited to be heading to the Regional One Act Festival in Warman, Saskatchewan from Friday, April 24 to Saturday, April 25. School groups from around the region will compete in the two-day theatre festival – watching and producing plays, attending workshops and critiques, and learning how to become better actors and technicians. The best overall show will go on to perform at the Provincial Festival in Regina this May. Walter Murray has had amazing success at the regional festival recently, winning the best overall show title three out of the past four years!

Walter Murray is running three plays this year:

**In Memoriam** by Marlene Remington – Directed by Grade 12 student Steven S.

Set on an isolated island in the pre-World War II years, this fast-moving murder mystery will keep you guessing. Five people gather for a house party that turns into a nightmare as one by one they’re accused of being a murderer. But is that the worst that will happen to them? You will be surprised at this unique ending!

**Oz** by Don Zolidis – Directed by Grade 12 students Owen J. and Chloe S.

Set in a world suspiciously resembling the film The Wizard of Oz, Beth finds herself journeying down a “yellow brick road” towards acceptance of her sister’s death. A hilarious and heart-wrenching exploration of grief and perseverance on the path to healing.

**The Audition** by Don Zolidis – Directed by Ms. Pavlin

The new theatre teacher is staging a production of *A Chorus Line*. Meet the colourful group of high school actors dying to be cast. An honest and humorous look at the madness of auditioning and the actors who brave the process to get that perfect part!

Walter Murray Shows

Support theatre at Walter Murray and help our teams get to the regional festival! Students, staff, family, and friends will get a chance to see our plays in the WMCI auditorium on **Thursday, April 2** and **Friday, April 3** at **7:00 p.m.** Admission is $5.00 for entry to all three shows. All funds raised will go towards the students’ participation in the festival.

Regional Festival

The Regional One Act Festival is taking place at Warman High School (201 Central Street) from **Friday, April 24** to **Saturday, April 25**. All plays are open to the public and admission to each play session is $5.00.

Break a Leg!

Please contact Ms. Pavlin or Mr. Soucy if you have questions about one act plays at WMCI!
WALTER MURRAY COMPETITIVE IMPROV

For the second year, Walter Murray is running an improv team for students wanting to have fun, learn about cooperation, teamwork, and adaptability, and put their skills to the test on the competitive stage!

The 2020 Compulsive Liars
Steven S., Bengee S., Aaron C., Halyna M., Kaia B., Madisyn H., Chloe M.

Collegiate Improv Nights
The Compulsive Liars participated in two collegiate improv nights to hone their skills and raise some funds before their journey to the Canadian Improv Games. The first event was held at Tommy Douglas on Monday, February 3 with teams from Tommy, Murray, Evan Hardy, and St. Joe’s participating. Walter Murray hosted its own improv night on Thursday, February 13 with WMCI alum and former team captain, Easton V., emceeing the event. Friends, family, and peers came out to support the teams and share in some laughs!

Canadian Improv Games
The Compulsive Liars participated in the Canadian Improv Games in Regina from February 28 to March 1, 2020. They competed against other collegiate teams in four events: Theme, Story, Style, and Life. Each event tests different improv skills, including storytelling, cooperation, and use of a style or theme. Additionally, the students participated in a variety of team-building activities with one another and the other Saskatoon teams competing – including laser tag, swimming, and socializing.

About the CIG!
The CIG got its start in Ottawa in 1977. Today, it is home to one of the largest and most geographically dispersed theatre festivals in Canada, with 14 regional programs and more than 100,000 alumni participants. Several notable Canadian performers got their start on the CIG stage, including Sandra Oh, Seth Rogen, Alanis Morissette, and Tatiana Maslany.

Please contact Ms. Pavlin if you have questions about improv at WMCI!

EXTENDED LEAVE FORMS

- Students are discouraged from taking extended holidays during the school term. If, however, it is necessary for a student to miss three or more consecutive days, the student must receive approval from the parent, classroom teachers, and the assistant/vice principal. The student must obtain an Extended Leave Form from Attendance to document the leave. This should be completed at least two days prior to the absence, and the form must be returned to the Attendance Desk. *Students and parents are cautioned that extended absences often affect student achievement.*

- If a student’s extended leave exceeds 20 school days, please be advised they will be taken off roll. At the discretion of School Administration, they may be reinstated at Walter Murray upon their return.
FUN AND MATH GO TOGETHER!

On Tuesday, February 25, one hundred and fifty grades 9 to 11 students challenged the national Pascal, Cayley and Fermat math contests. Facing them were 25 multiple choice math questions of increasing difficulty requiring students to apply outcomes learned in their math classes. When asked what they thought of the contest, students responded: “It was fun”, “It’s a great way to challenge myself”, and “It’s a great way to set goals and meet them”. If you missed the opportunity for a mathematical challenge, there are more to come in the next two months. Meeting new friends and learning to think in different ways about math are the best parts of participating in Math Club and/or Math Circle.

**MATH CLUB**
Met in room 304 every Tuesday at lunch.
Novel problems to solve, introduction of math challenges available, opportunities to prepare for upcoming contests, and games to play.
Come meet other math enthusiasts!

**MATH CIRCLE**
Met in room 304 every Friday after school.
Novel lectures, challenging problems, games, and opportunities to learn leadership skills.
Being with other math enthusiasts is exciting!

**Can I still join?** Absolutely! We would love to have you come and be a part of the group. Just come to room 304 at the specified times.

“How have Walter Murray students been performing on the challenges/contests thus far?”

First and foremost, every student who has taken a risk to challenge themselves mathematically by participating in a math contest deserves credit. Keep taking risks! Notable performances thus far are given below. Results from future performances will be listed in the next newsletter.
