MÉTIS CULTURAL PROGRAM ADVANTAGE

The Métis/Michif Cultural Program has been created to preserve, strengthen, and transmit Métis/Michif culture, traditions, and Michif language in Saskatchewan. The program supports all Westmount students from prekindergarten to Grade 8 and is delivered exclusively from a Métis/Michif perspective that is infused in curricular outcomes throughout the subject areas.

The intent of the program is to enrich student education through authentic learning experiences within a Métis/Michif world view. The learning occurs through a co-teaching model where the Michif language speaker, Métis culture teacher, Michif Traditional Knowledge Keeper, and the Michif language teacher work with classroom teachers to integrate the language, content, and perspectives. This approach is building capacity in all teachers to infuse content, perspectives, and language in all curricular areas.

During the school year, students are engaged in enriching their skills from a Métis/Michif perspective, building culturally relevant leadership skills, transferring knowledge between generations, and participating in experiential learning opportunities. These opportunities are made possible due to the generosity and commitment of members from the Michif and Métis communities in Saskatoon.

Partnerships and support from the Gabriel Dumont Institute (GDI), Lii Pleu Vyeu, Central Urban Métis Federation Incorporated (CUMFI), Metis Nation—Saskatchewan (MN-S), Gabriel Dumont Local 11, and Saskatoon Public Schools First Nations, Inuit, and Métis Education Unit are essential to the success of the Métis Cultural Program.

MII TAANT LEUR PLAAS PROGRAM

Westmount Community School is the home of Mii Taant Leur Plaas (Auntie's Place), a Michif early learning program offering full-day Kindergarten, Monday to Friday and full-day prekindergarten, Monday to Thursday. The program is designed to preserve, strengthen and transmit Michif language, culture, and traditions. Children ages 3, 4, and 5 are provided with an experience that will build a strong cultural Michif/Métis identity and increased academic success. Children entering Mii Taant Leur Plaas learn through a Métis/Michif perspective, ways of knowing and being. This program aims to involve Michif speakers, Lii Vyeu, families, and community to share in their knowledge of language and traditions. Information and application forms are available at saskatoonpublicschools.ca/westmount
